20+6
years

"The Initiative Center to Support Social Action "Ednannia" (ISAR "Ednannia") was founded by people with experience and ideas that came from the American non-profit organization ISAR (Institute for Soviet-American Relations).

Ever since we have been working...

- for Ukraine's civil society to be indeed influential
- to promote the culture of strategic philanthropy in communities as a platform for cross-sectoral dialogue and cooperation
- for development and establishment of democracy in Ukraine

For 20 years we have been working as a genuine Ukrainian organization. We are proud to find opportunities for development on our own without external support and continue to grow.
