

The winners of the fourth round of the grant competition “Advocacy without borders: strengthening Ukraine's voice”. The competition is implemented by the Askold and Dir Foundation and administered by ISAR Ednannia within the framework of the project "Strong Civil Society of Ukraine – A Driver of Reforms and Democracy", funded by Norway and Sweden.

Nº	Organisation	Project Objectives and Expected Results	Sum in NOK
1	Public Organization «Center for Economic Strategy»	Strengthening the Centre for Economic Strategy's international advocacy impact in the field of public procurement reform for Ukraine's recovery by organising an expert side event at the Ukraine Recovery Conference 2026 and promoting specific recommendations among international stakeholders.	84215,28
2	"Vilni United"	Strengthening the role of Ukrainian civil society in Ukraine's recovery processes by presenting the experience of volunteer initiatives at the Ukraine Recovery Conference 2026 and conducting informational and educational activities for Ukrainians abroad.	36845,75
3	Charity organization «Kateryna Osadcha Foundation»	The project aims to strengthen international advocacy for the interests of Ukrainian youth in Ukraine's recovery processes through a series of strategic interviews and public discussions at the Ukraine Recovery Conference 2026 in Gdańsk. The focus will be on human capital development, career guidance, employment, the return of young people from abroad, and the creation of new opportunities for professional development in Ukraine.	649386,08
4	"Boost of Ukraine's business sector"	Strengthening Ukraine's international advocacy in the areas of human capital development, entrepreneurship support, and the creative economy through the expert participation of the NGO "Development of the Business Sector of Ukraine" in the Ukraine Recovery Conference 2026, the development of international partnerships, and the promotion of Ukrainian initiatives within international processes of Ukraine's recovery and European integration.	84951,27
5	NGO "Institute of Analysis and Advocacy"	The project aims to strengthen the participation of civil society organisations and territorial communities in international processes for planning and coordinating Ukraine's recovery. It will contribute to representing local needs, developing partnerships between Ukrainian and European institutions, and shaping an inclusive and sustainable approach to recovery.	402580,81
